INTERNATIONAL PROGRAMME DAY

THE SPEAKERS:

Arjen Wals

is Professor of Transformative Learning for Socio-Ecological Sustainability at the Education and Competence Studies Group of Wageningen University where he also holds a UNESCO Chair of Social Learning and Sustainable Development. His teaching and research focus on designing learning processes and learning spaces that enable people to contribute to meaningful sustainability.

Dr. Shepherd Urenje

is an environmental and sustainability education program specialist at Uppsala University, SWEDESD, Campus Gotland.

Rob O'Donoghue

is Associate Professor and Director of the Environmental Learning Research Centre at Rhodes University, South Africa. In his research on environmental education processes of learning-led change, he has given close attention to indigenous knowledge practices, social theory and environmental learning in post-colonial curriculum and community contexts.
