“Studying at JIBS has been the best experience!
It’s culturally diverse there.”

An Thuy Nguyen

Former exchange student from Royal Melbourne Institute of Technology, Saigon South, Vietnam

WHY DID YOU CHOOSE TO GO ON EXCHANGE?

I wanted to live and learn in a different culture. The good thing about coming to JIBS is that there are a lot of international students, which means the exchange of culture isn’t just with Swedish people, but with those from many other countries as well.

WHAT IS THE BEST THING ABOUT JIBS?

Studying at JIBS has been the best experience! It’s culturally diverse there. I had a wide range of courses to choose from as so many are delivered in English. The staff there is very supportive and friendly to international students, and the lecturers are so enthusiastic and always encourage students to develop critical thinking.

WOULD YOU RECOMMEND EXCHANGE STUDIES TO OTHER STUDENTS?

Yes, definitely. Besides the many studying options, the university provides excellent services to support international students in various stages of the exchange application, especially the pre-departure

process. Jönköping University also offers an accommodation service, so international students like me don’t have to worry about finding a place to live. So, it was pretty easy and thanks to JU I didn’t worry so much before coming here or during my stay. I had a wonderful time here in Sweden!

GOOD THINGS TO KNOW:

HEALTH INSURANCE

Exchange students admitted to JU receive a supplementary health insurance, which covers emergency medical and dental care (conditions apply).
